Subject: Bristol Bay

Hi Alan,

I have been talking with Tami Fordham, our liaison for natural resource extraction to Alaska tribes. She is organizing our government to government consultation on our Bristol Bay watershed assessment. I would like Tami to understand what you are planning for our Watershed Assessment. She has insights into the needs of EPA and the tribes that I don't - things to keep in mind as you develop your study plan. Do you have some time early next week to talk with Tami and I.

Ex. 5 - Deliberative
